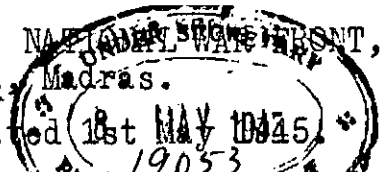
War. V.W.F. – South Kanara – Talwar propagandist's attending refresher courses – Cash payments in lieu of free feeding – Approved as a special case

OFFICE OF THE PROVINCIAL ORGANISER, NATIONAL WAR FRONT,
Victory House, Mount Road, Madras.

U.O.Note No.3841/44-K4, dated 1st May 1945.



Sub: National war front - Accounts - District Organiser's Office, South Kanara District Inspection by Accounts Officer.- Report dated 21-6-44 - cash payment to taluq Propagandists in lieu of meals - Ratification of District Organiser's action - requested.

During the refresher course held at Udipi in February 1944 the District Organiser, South Kanara arranged for free feeding of certain Taluq Propagandists at a cost of Rs 86-8-0 and paid the rest a sum of Rs 51-12-0 in cash in lieu of meals. The District Organiser, who was asked to explain the circumstance that led to the cash payment in lieu of meals, explained that the meals supplied were not agreeable to the Taluq Propagandists in question and that they desired to arrange their food outside. This involved cash payment in lieu of meals and the usual rate of Re.1/- per head per day had also to be exceeded. As payment of cash to Taluq Propagandists in lieu of free feeding is not contemplated in the orders of Government, Public (War) Department may be requested to ratify the action of the District Organiser as a special case. Strict instructions have since been issued to District Organisers not to have recourse to cash payment and not to exceed the limit of Re.1/- per head per day under any circumstances.
